If you can spend 3 hours on lab training per day, you can go to exam after 8 weeks.

3 How to complete lab training

We provide workbook, solution and record video. All of the materials are encrypted. Record video is in English. every record video of lab is 2-5 hours long.

1) Receive materials in sections

The materials we provide by section delivery.

2) Watch Record video

Video explains the request and solution ,it shows how to config lab step by step. Record video orientation include on how to access the schedule and the physical rack

3) Rack access after 7 days

If you have any problem during the practice ,our teacher will help you solve it .we use teamview for remote access.

4) Review and see feedback

We have many students pass every week,we will provide the latest feedback.
